

**This is a summary of the decision of the DPC**

The Data Protection Office received an official complaint submitted manually by the Complainant. The complaint was lodged against his neighbour, alleging the installation and use of CCTV cameras. The Complainant alleged that he was subject to continuous harassment due to the presence of a CCTV camera.

Subsequently, the Data Protection Office wrote to the Police to seek assistance for investigating this complaint and to conduct a site visit at the Respondent's premises.

The Police conducted the site visit and confirmed that no CCTV camera was installed in such a way as to capture images of passers-by or the public view.

The Data Protection Commissioner has decided as follows:-  
In view of the above, the enquiry is closed to the satisfaction of all parties under section 6 of the Data Protection Act 2017 (DPA).
