

This is a summary of the decision of the DPC

The Data Protection Office received a complaint by email from Complainant against Respondent regarding the use of CCTV cameras. The Complainant stated as quoted that: *"I, (...) would like to lodge a complaint against my neighbour (...) who has placed CCTV camera which is pointing towards his house"*.

Subsequently, the Data Protection Office wrote to the Police to seek assistance for investigating his complaint and to conduct a site visit at Respondent's premises to verify the camera as to whether the CCTV footage shows viewing outside Respondent's premises.

By way of a letter, the Police informed the office that: *"an enquiry was carried out into the matter and a site visit was conducted by personnel of (...) Police, whereby respondent was met and showed Police three sensor cameras at three corners in his yard .It was noticed that the cameras have been repositioned and the image captured is not beyond the boundary wall."* The Police also enclosed the site visit report together with the letter.

The Data Protection Commissioner has decided as follows:-

In view of the above, the enquiry is closed to the satisfaction of all parties under section 6 of the Data Protection Act 2017 (DPA).
