By way of a letter, the Police informed the office that: *"an enquiry was carried out into the matter and a site visit was conducted by personnel of (...) Police, whereby the respondent was met and it was found that two CCTV cameras were fixed in front of the respondent's house, facing towards a common road and at no moment pointing towards the complainant's premises."* The Police also enclosed the site visit report together with the letter.

The Data Protection Commissioner has decided as follows:-

In view of the above, the enquiry is closed to the satisfaction of all parties under section 6 of the Data Protection Act 2017 (DPA).
