

This is a summary of the decision of the DPC

The Data Protection Office received a complaint by email from Complainant against Respondent regarding the use of CCTV cameras. The Complainant stated as quoted that: *"I, (...) would like to lodge a complaint against my neighbour (...) who has installed a rotating camera on his house roof, merely 1ft away and since has been focusing on my property every now and then causing annoyance and discomfort. An OB has been registered at the police station."*

Subsequently, the Data Protection Office wrote to the Police to seek assistance for investigating this complaint and to conduct a site visit at Respondent's premises to verify the camera as to whether the CCTV footage shows viewing outside Respondent's premises.

By way of a letter, the Police informed the office that: *"an enquiry was carried out into the matter and a site visit was conducted by personnel of (...) Police, whereby respondent and complainant were met and found that there is no clear view of complainant's residence"*. The Police also enclosed the site visit report together with the letter.

The Data Protection Commissioner has decided as follows:-

In view of the above, the enquiry is closed to the satisfaction of all parties under section 6 of the Data Protection Act 2017 (DPA).
